### Hear it from the Tweenagers

One of the most exciting things that happened at the DI last fortnight was the **Tweenagers Affair** on June 30. Kids from 12 to young adults up to to 29, and all the ages between, met for a great party at Dining@DI. Here are some of the reactions from the event (unedited, in their own words):

It was a great experience. We enjoyed ourselves thoroughly and danced till our feet hurt. DJ NDT (of The Grid fame) was amazing and played great songs that got everyone on the dance floor. The MC Kemp and the games organized by him were too good. Overall the party was very well organized. We hope to be able to attend more such fun and good parties!!

Nevaeh and Jada

It was really nice to exhale, exhaust and enjoy the euphoria of dancing our first one of a kind disc feeling. I wish we have many more and some small surprises to win would be nice. It's for kids and it matters when we feel left out from the adult lounge. Thank you so much.

Divina Chandra

I had the best time at The Tweenagers Affair. The dance competition was the highlight of my evening, I may not have won but I had fun and that's what matters! I loved everything about the dance and the music was amazing.

Keisha Quinn

The Tweenagers Night was a fun get-together for all the DI youngsters and their guests. We played a couple of fun games, danced the night away, and even celebrated an impromptu 18th birthday. Here's to more nights like this.

Chris, one of the older DI "kids"

*Editor's Note: Why should 'adults' have all the fun? The Tweens has their very own club night with DJ NDT and MC Kemp O'Brien in the house! More coming your way ... check out our stories on Instagram and Facebook and share yours (tag us @dalhousieinstitute on Instagram & FB)*
